3rd
German South American
Meeting (GERSAM)
on Peripheral Nerve Surgery

Nov 15/16, 2019

We cordially invite you to the **3rd German South American Meeting** on Peripheral Nerve Surgery.

In 2015, the first meeting was initiated by South American and German neurosurgeons to discuss thoughts and visions on peripheral nerve surgery. We are pleased to organize the 3rd GERSAM Meeting in Berlin at the Charité after the first two successful meetings in Günzburg (2015) and Rio de Janeiro (2017).

We are looking forward to the intercontinental dialogue about current topics in peripheral nerve surgery.

We will welcome international specialists from South America, the United States of America, Germany and other European Countries.

The scientific program will take place **November 15 and 16, 2019** at CCO Auditorium Charité Universitätsmedizin Berlin, Campus Mitte, Charitéplatz 1, 10117 Berlin.

We invite you to the welcoming event in the evening of the **November 14, 2019** and for a gala-dinner on **November 15**. On **November 17**, a city tour of Berlin and Potsdam is scheduled. Rooms are pre-reserved at:

Adina Hotel Mitte, Platz vor dem Neuen Tor 6, 10115 Berlin (please use code: GERSAM)

We are excited to see you in Berlin in November 2019.
